Company Profile

Founded in 2006 in Syria, Sham Food Gıda Sanayi has built its reputation on reliable processed meat and canned food products. In 2014, the company expanded to Türkiye and established a modern production facility in Mersin, operating in accordance with international quality and food safety standards.

Our Vision

To be the Preferable food supplier in local and global markets by offering high-quality products that meet diverse tastes and international standards.

Our Mission

To provide reliable and sustainable products by combining high quality, with competitive cost, while continuously improving our products, processes and customer value.

Why Sham Food?

- Exceptional taste
- Consistent quality
- Carefully selected ingredients
- Modern and hygienic production
- A trusted brand

Quality & Standards

Quality is at the heart of every stage of our production. We operate in compliance with ISO 9001, ISO 22000 (HACCP) and Halal standards.

Operational Strength

Our experienced team and advanced production lines enable efficient manufacturing while maintaining high standards of quality and food safety.

Our Markets

We are active in Türkiye and Syria, as well as markets across the Middle East, Gulf, Africa, Asia and Europe.

Our Commitment

We are committed to delivering safe, high-quality and reliable food products while continuously increasing customer satisfaction.

Our products are available in
33 countries all over the world.
